

THE WAERENGA WAY

Waerenga School is a friendly, helpful and caring school where everyone is able to feel safe and happy, and to learn effectively.

Staff, students, parents and the community work as a team to provide effective learning for the students.

1. HELP EVERYONE TO DO THEIR BEST

This means we get on with our learning, try our hardest, and let others do the same.

This gives everyone a chance to make a success of their time at school.

2. RESPECT OTHER PEOPLE AND THEIR PROPERTY

This means we only touch other people or their belongings if we have their permission.

This helps everyone to feel safe and happy.

3. BEHAVE IN SAFE AND CORRECT WAYS

This means we obey school and classroom rules and avoid doing anything that may harm ourselves or others.

This helps us to make our school a credit to our community, and a safe and effective place in which everyone may learn.

4. SPEAK AND ACT POLITELY

This means we are well mannered, considerate and friendly to each other, to staff and to visitors.

This makes our school a pleasant place for everyone.

5. RESPOND TO REASONABLE REQUESTS FROM OTHERS

This means we co-operate with others and consider their needs.

This makes it easier for us to live and learn together.

6. LOOK AFTER OUR SCHOOL AT ALL TIMES

This means we avoid doing things that will damage school equipment and buildings, as we keep classrooms and grounds looking good.

This makes the school a pleasant and safe place for all of us.

We will all gain a lot from the school and each other if we behave in the
